**Property Crimes in the Foothills Area Command February 4, 2019**

**1 Armed Robbery to Individuals:** 13200-block of Central Ave NE.

**3 Stolen Vehicles:** 13100-block of Constitution Ave NE, 13100-block of Sandstone Pl NE.

**1 Commercial Burglary:** 700-block of Eubank Blvd SE.

**5 Auto Burglaries:**

9900-block of Spain Rd NE (no point of entry defined, stole wallet)

2500-block of Myra Pl NE (no point of entry defined and stole full 6-round magazine, gym bag, clothing, \$30.00 cash, credit card and made over \$300 in fraudulent credit card charges with victim's credit card at 3 retail spots)

2400-block of High Point Ct NE (no point of entry defined and stole laptop, headphones, gym bag, clothing and Nambe serving dishes)

12500-block of Tomlinson Dr SE (no point of entry defined and stole personal paperwork, electronics)

10900-block of Towner Ave NE (damaged window to steal spare change and rear seat covers)

Note that 4 of 5 auto burglaries had no defined points of entry; that means either the vehicle was accessed by means that left no signs of damage or broken glass or pry marks or the vehicles were all left unlocked. Also note the many items left inside unattended vehicles that attracted the burglars. You will greatly reduce your odds of being an auto burglary victim if you pare down what you are driving around with inside your vehicle and lock your vehicle. Sadly, the stolen credit cards were racking up charges for one of our victims before the police officer even arrived to take the police report.
